Designing kitchens and bathrooms that inspire, endure, and delight.

At Kitchen and Bathroom Studio, we bring together design expertise and premium products to create spaces that inspire. From stunning kitchens to luxurious bathrooms, our team is dedicated to combining style, practicality and innovation. With over 15 years serving the Melbourne community, we have built a reputation for excellence through meticulous attention to detail, high-quality materials and skilled craftsmanship. Our studio offers everything you need for your project—from custom designs and German window and door systems to elegant stone surfaces and top-tier appliances.

We also provide an extensive range of bathroomware and tiles, including sanitary ware, lighting, hardware and accessories sourced from around the world. Whether you're planning a complete renovation or simply upgrading key features, our curated selection ensures access to the latest trends and timeless classics. From granite and marble to porcelain and sintered stone and engineered stone, from sleek kitchen appliances to luxurious bathroom fixtures, every product is chosen for its durability and design. Kitchen and Bathroom Studio is your trusted partner in transforming everyday spaces into enduring works of beauty.

Underfloor Heating is now becoming less of a luxury and more of an affordable comfort in homes.

Our range of Underfloor Heating Mats and Loose Wire options make choosing the Underfloor Heating solution that will suit your application easy.

Boasting a lifetime warranty, our Underfloor Heating not only provides you with comfortable heat and interior design freedom, but also peace of mind that you can enjoy the comfort of a warm home while knowing that you are backed by a quality product.

Gone is the experience of stepping out of the shower to a damp towel, now enjoy the luxury and comfort of a warm, dry towel at your fingertips every time you need it.

Made from high-quality Stainless Steel, our Heated Towel Rails are the perfect addition to your bathroom.

Costing as little as 1c per hour to run, a Heated Towel Rail will reduce the likelihood of germ and bacteria build-up as well as extend the lifespan of your towels.

We offer a wide range of styles and finishes to suit the aesthetics of any bathroom, from Vertical Bars to Ladders, Single Bars to Swivel, whatever your design, we have a rail to match.
